People Need to Know

Message is more than a magazine. It is transformational information that will change the way you think, change your spiritual walk, promote the search for truth, and encourage an open heart dialogue with God. People who need hope and want to sustain their spiritual walk all need *Message*. We invite you to join us in this ministry by sharing *Message*. Will you?

Here is what we need:

Prayerful Support: We pray for every phase of our production—from the writers to the printers, the mail carriers to the readers. We've been around for 116, preserved with one mission, to let others know of the invitation of Christ's mercy and love. We do this while keeping an eye on the time. Your prayers sustain us.

Prayerful Sharing: Not only will *Message* support your spiritual walk of faith, it is a valuable source of inspiration and information that you can share with others. Share *Message* with people who are close to you, or subscribe for others you don't even know. Once you have committed yourself to sharing, you will be delighted to recognize the Spirit's leading to others around you:

Special Project Support: Every year, **Message** flows into the prison system in the United States where approximately 2.3 million people are incarcerated. Together we can make sure light shines in dark places by sending *Message*. Your donation will ensure that *Message* reaches behind bars. *Message* donates thousands of magazines to community centers, or for community events distribution. You can help put these special issues into the hands of people who need them. Your donation also enhances our online capabilities that reach around the globe with transformational stories that change hearts.

It is our prayer that God will bless you for your interest, your prayers, and your support for *Message*.
