Message Magazine is proud to present our Bible Study pack of 12 individual studies.

*Written by* Stephen Brooks

Do you want to learn about Jesus Christ who, at age 33, willingly gave His life for you on the Cross of Calvary, and came up out of that tomb, went back to heaven, and is personally praying for you?

Do you want to learn how to reach out in faith to God who is able and willing to guide you through whatever you are facing individually, in your family, on your job? He is there for you every moment of your life. You can talk to Him personally through prayer anytime of day or night. Nothing is too hard for Him!

To receive personal Bible studies, pray with someone, talk with a chaplain or find a church, reach the Message Resource line:
